

**BRIDGES OF NEW YORK**  
 7<sup>TH</sup> ANNUAL GOLF CLASSIC & BANQUET  
 MONDAY • JUNE 8<sup>TH</sup> 2009  
 THE WOODMERE CLUB

Dear Friends,

On June 8th Bridges of New York will be having its Seventh Annual Golf Classic and Banquet at the Woodmere Club in Woodmere. Bridges of New York is a cooperative transitional housing program that works closely with Nassau County and New York State; helping those struggling with addictions successfully transition back into society as productive citizens.

We presently run three transitional homes, and continue to look for opportunities for growth as we adapt to the ever-present needs of our communities. We understand that our current economy has caused many of us to tighten our budgets, but that only increases the need for our services. It is in times like these that we need to serve our communities more than ever. We are so grateful for friends like you and ask that you would continue to support our efforts by signing up for this year's Golf Classic and Banquet. This will be our third year at the Woodmere Club and reviews from the previous year's outings have been extraordinary. This year promises to be even better with highlights including a Full Gourmet Buffet Breakfast, Lunch at the turn, a Cocktail hour, Open Bar, an elaborate Buffet and Woodmere's Famous Dessert Table. There will also be a 50/50 raffle, a silent auction and many terrific raffle prizes. If you enjoyed golfing with us last year, consider inviting a friend or colleague to join you for this year. The dinner is an event in itself, so please be sure to have a guest join you for that as well, or if you don't golf, just come and dine with us.

If, for some reason, you are unable to attend the event this year, there are still many ways you can get involved. Please take a moment to look over the various sponsorship opportunities listed in this brochure. Thank you for continuing to make Bridges of New York a success. It is through your generous contributions that we are able to continue doing this much-needed work. If you have any questions, please do not hesitate to call Paul Ammendola at the Bridges of New York office in Freeport (516) 608-9975.

Blessings,

The Rev. Dn. Andrew Wyns  
 Executive Director  
 Bridges of New York
